

# Urban Forestry Consultants in Michigan

The following is a listing of companies and individuals who have let it be known to the Michigan Department of Natural Resources (DNR) that they provide urban forestry consulting services in Michigan. The DNR presents this list with no intended endorsement of particular consultants, their qualifications, or service rendered, nor is criticism implied of consultants not listed. Additional consultants are available in Michigan, but have not contacted the DNR and are, therefore, not listed below. It is your responsibility to contact, research and select a consultant for your needs. If you wish to be listed, contact Kevin Sayers [sayersk@mi.gov](mailto:sayersk@mi.gov) or (517) 241-4632.

## Key to Consulting Forestry Services Offered:

- A. Management Plans** - Develops Urban Forestry strategic plans and management plans.
- B. Ordinance / Specification Development** - Develops local tree ordinances tailored to individual communities and/or develops tree care specifications, protocols or regulations for work on public property.
- C. Inventories** - Determines the tree inventory most appropriate for the community, develops guidelines for inventorying, conducts inventory and is familiar with the use of inventory software.
- D. Geographic Information Systems (GIS)** - Develops and implements a GIS for urban tree management.
- E. Planting Design & Selection** - Provides landscape design services and site specific species selections.
- F. Tree Protection on Development Sites** - Assists communities, landowners and developers design and implement systems to protect trees from the impacts of construction. Those indicating this service should have knowledge of development procedures, tree physiology, and tree protection techniques.
- G. Municipal Program Management** - Can provide municipal forestry program management advice.
- H. Training / Education** - Provides staff, volunteer and citizen training and education on proper arboricultural and community forestry management topics.
- I. Grant Applications** - Assists communities in developing project proposals and applying for grants
- J. Expert Witness** - Investigates litigious or casualty situations and serves as an expert witness on behalf of a client in a courtroom setting for arboricultural and urban forestry issues.
- K. Certified Arborist on Staff** - The business has on staff someone who has arborist certification from the International Society of Arboriculture (ISA).
- L. Landscape Tree Appraisal** - Qualified to appraise tree value according to Council of Tree & Landscape Appraisers (CTLA) methods.
